BUILDING HOPE

**“They can because
they think they can.”**

At AVKS, our primary focus is to eradicate the stigma of "vikalang" from the society through community participatory approach and social awareness.

We strive to create opportunities for persons with disabilities to enable them to be self-reliant, confident and have a dignified life.

Our Story

AZAD VIKALANG KALYAN SAMITI (AVKS) came into existence to safeguard and welfare of the disadvantaged and differently abled persons. It was an initiative by a group of differently abled persons towards upliftment and improve quality of life of disadvantaged & underprivileged community. AVKS is registered a non-profitable, non-political, non-religious voluntary organization under Madhya Pradesh Society Registration Act, 1973. Since its inception, it has been serving differently abled people, vulnerable families from most backward areas of Jhabua and Alirajpur districts of Madhya Pradesh.

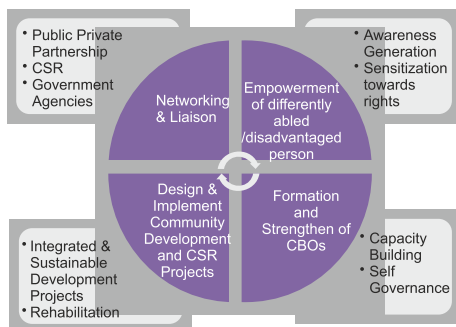

It is also registered under Section 51 & 52 of the Persons with Disabilities (Equal Opportunities, Protections of Rights and Full Participation) Act, 1995 initiated by Department of Social Welfare, Govt. of NCT of Delhi.

By virtue of its nature of development work for differently abled community, AVKS is known for its participatory approach and operationalizing challenging work in backward tribal areas where the communities are disadvantaged and distant from mainstream development process. These areas often stand low on development indicators and lack basic infrastructure for essentials like healthcare, education or livelihoods.
